Years Ended December 31, 2022 and 2021

with Accountant's Compilation Report

TABLE OF CONTENTS

Accountant's Compilation Report.....	1
Financial Statements:	
Statements of Assets and Fund Balances – Cash Basis	2
Statements of Receipts, Disbursements and Changes in Fund Balances – Cash Basis	3-4
Notes to the Financial Statements.....	5-12
Additional Financial Information:	
Detailed Schedule of Cash Disbursements	14
Detailed Schedule of Tax Credit Fund Activity	15

To the Board of Trustees,
Cincinnati Southern Railway:

Management is responsible for the accompanying financial statements of the Board of Trustees, Cincinnati Southern Railway, which comprise the statement of assets and fund balances – cash basis (relating solely to the cash transactions of the Board of Trustees) as of December 31, 2022 and 2021, and the related statement of receipts, disbursements and changes in fund balances – cash basis for the years then ended, and the related notes to the financial statements in accordance with the cash basis of accounting. Management is also responsible for determining that the cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

We draw your attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The accompanying other information contained the detailed schedule of cash disbursements and detailed schedule of tax credit fund activity on pages 14 and 15 are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management. The other information was subject to our compilation engagement. We have not audited or reviewed the other information and do not express an opinion, a conclusion, nor provide any assurance on such information.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following accounting principles and practices of the Board of Trustees, Cincinnati Southern Railway ("the Board") are set forth to facilitate the understanding of data presented in the financial statements.

Description of entity

The Trustees of the Cincinnati Southern Railway operated initially under the provisions of the General Assembly of the State of Ohio and the General Code Sections as supplemented or amended by various House Bills. On April 4, 1977, House Bill 69 was passed authorizing the City of Cincinnati to provide legislation for the continuance of a Board of Trustees. Ordinance #290-1977 provided for the appointment, removal, bonding, and compensation of the Board. The Board of Trustees must consist of five members who shall be appointed by the Mayor with approval of City Council.

Principles of operations

The Board holds title on behalf of the City of Cincinnati to a railroad right-of-way between Cincinnati, Ohio and Chattanooga, Tennessee and leases the property to the Cincinnati, New Orleans and Texas Pacific Railway Company, a wholly-owned subsidiary of the Norfolk Southern Corporation (Lessee). The lease expires on December 31, 2026, but has an option for an additional twenty-five years. All funds paid by the Lessee under terms of Section 1 of the 1987 Supplementary Agreement are sent directly to the Treasurer of the City of Cincinnati without going through the Board's financial records. The lease also provides that the Board may sell or convey any land or lands included in the lease, which may become unnecessary for the maintenance, use and operation of the railway.

Basis of accounting

The Board prepares its financial statements on the basis of cash receipts and cash disbursements. Consequently, certain revenues are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. The accompanying financial statements are therefore not intended to be in accordance with accounting principles generally accepted in the United States of America. These financial statements include only those funds that were received and accounted for through the records of the Board, which includes the annual payments by the Lessee for Board expenses, tax credits, income from trustee investments and income derived from the sale of unneeded right-of-way property.

Property of the Cincinnati Southern Railway, leases, and right-of-ways, etc., are not included in the financial statements because records of the cost and/or fair value of the tangible assets and intangible assets are not available. Additionally, proceeds from bond issues and payments for the principal and interest on bonds are not reported in the financial statements because these items are under the jurisdiction of the City of Cincinnati.

Fund accounting

In order to ensure the observance of limitations and restrictions placed on the use of the resources available to the Board, the accounts are maintained in accordance with the principles of fund accounting. Fund accounting is the procedure by which the resources for various purposes are classified for each fund and all financial transactions are reported by each fund group. A description of the funds follows:

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Expense Reserve Fund

The Expense Reserve Fund receives revenue from the lease and pays the necessary expenses of the Board in overseeing the terms and conditions of the lease.

Tax Credit Fund

The Tax Credit Fund receives revenue from the lessee based on Tax Credit Agreements and remits excess federal and state tax credits to the City of Cincinnati. Professional service obligations incurred during lease renegotiations are also paid from the fund.

Sale of Property Fund

The Sale of Property Fund receives the proceeds and pays related expenses for the sale of leased property which is deemed to be superfluous and returned to the Trustees in accordance with Section 3(e) of the Supplemental Agreement. Based upon the research of the City of Cincinnati Solicitor's office, the net earnings from the sale of property fund are to be paid to the Treasurer of the City of Cincinnati for bond retirement. In 2022 and 2021, this Fund had no receipts and thus, no such payments were made. The Fund had no balances as of December 31, 2022 and 2021. In accordance with Section 3(f) of the Supplemental Agreement, proceeds for leased property which is condemned or conveyed under threat of condemnation are excluded from being recorded in the sale of property fund and are held by the Lessee in a property replacement account (see Note 5).

Investment Fund

The Investment Fund receives the proceeds from all investments and allocates these earnings to the other funds based on a calculation derived by the Board (see Note 3).

Income Taxes

The Board is exempt from federal income taxes under Internal Revenue Code Section 115.

Compensation

Section 205-5 of the Cincinnati Municipal Code provides that Trustees may receive compensation, with Board consent, for special assignments related to Board responsibilities that may arise from time to time. For the years ended December 31, 2022 and 2021, no Trustees received compensation.

2. CASH AND CASH EQUIVALENTS:

Cash and cash equivalents include all cash balances, certificates of deposit and bankers acceptances with an initial maturity of three months or less on deposit with local banks. At December 31, 2022 and 2021, the cash and cash equivalent balances were \$9,087,742 and \$6,272,218, respectively. Of the bank deposit balances, the statutory limit was covered by the Federal Deposit Insurance Corporation and the balance was collateralized by pools established by the financial institutions to secure the repayment of all public monies deposited with the institutions as required by Section 135 of the Ohio Revised Code.

3. EARNINGS ON INVESTMENTS:

All interest earned on cash and cash equivalents are recorded in the Investment Fund. The Expense Reserve Fund and the Tax Credit Fund are allocated a portion of this revenue, with the remaining balance being deemed excess revenues to be remitted to the City of Cincinnati. For the years ended December 31, 2022 and 2021, the allocation to the Expense Reserve Fund is computed on a pro-rata basis based on the average fund balances of the Expense Reserve Fund, Tax Credit Fund and Investment Fund. The amounts allocated are as follows:

	<u>2022</u>	<u>2021</u>
Expense Reserve Fund	\$ 3,699	17,684
Investment Fund	3	-
Tax Credit Fund	<u>3,282</u>	<u>10,626</u>
	<u>\$ 6,984</u>	<u>28,310</u>

4. PAYMENTS FROM LESSEE:

Expense Reserve Fund: The Board receives quarterly payments from the lessee to defray the cost of necessary expenses. The annual base payment is \$100,000 and the payments increase annually based on the change in the consumer price index (CPI). CPI Payments were \$152,310 and \$135,723 in 2022 and 2021, respectively.

Tax Credit Fund: In 2008, the Board entered into a Tax Credit Agreement with Cincinnati, New Orleans and Texas Pacific Railway Company ("Lessee") which enabled the Lessee to claim tax credits under Section 45G(c)(2) of the Internal Revenue Code and under section 141.385(2) of the Kentucky Revised Statutes. A part of the agreement, the Lessee agreed to pay the Board fifty percent of the tax credits claimed. As per the agreement, payment of these amounts are conditioned on the full approval of the credits by the Internal Revenue Service and the Commonwealth of Kentucky.

5. PROPERTY REPLACEMENT ACCOUNT:

In accordance with Section 3(f) of the Supplemental Agreement, any cash awarded from leased property being condemned or under threat of condemnation is to be deposited into an interest-bearing account in the name of the lessee. This account is not included in the financial statements of the Board. These funds may only be used by the lessee for replacement of taken property or improvements or, alternatively, to acquire and improve additional property for railroad operations. Any new property or improvements are to be titled in the name of the Board and become part of the leased property. On an annual basis, the Board is to receive an accounting of these funds from the lessee. All monies remaining at the end of the lease will be remitted directly to the Board.

During 1990, a Property Replacement Account was established with a financial institution (since this account was opened, this bank has changed names, U.S. Bank is the current bank) with deposits of \$14,500 from McCreary County, Kentucky and \$500 from Hamilton County, Tennessee.

During 1991, a \$1,550 award from Hamilton County, Tennessee was negotiated and apportioned, with \$748 for permanent drainage easement to be deposited in the Property Replacement Account and \$802 for temporary slope easement to be retained by the Cincinnati, New Orleans and Texas Pacific Railway Company. Also, during 1991, \$9,175 was generated by approving a permanent and temporary easement to the State of Kentucky.

5. PROPERTY REPLACEMENT ACCOUNT (continued):

During 1992, \$14,925 was generated by selling three parcels of property that were to be condemned to the Tennessee Department of Transportation. Also, \$2,000 was generated from an adverse possession claim on the Catnip Hill, Kentucky property.

During 1993 and 1994, the only activity in this account was for interest earnings. During 1995, \$8,880 was generated by selling 1.416 acres in Tennessee to the Tennessee Department of Transportation under threat of condemnation.

During 1996, \$9,500 was generated by selling 1.318 acres in Tennessee to the Tennessee Department of Transportation under threat of condemnation. In 1997, \$2,075 was refunded to the Cincinnati, New Orleans and Texas Pacific Railway Company. The Board determined \$2,075 of the \$9,500 deposit made in 1996 should have been paid to the Company for deprivation of use of land belonging to the Company.

During 1998, \$32,824 was generated by selling 8,604 square feet in Tennessee to the Chattanooga Housing Authority under threat of condemnation and \$800 was generated by selling 0.3 acres to the Tennessee Department of Transportation under threat of condemnation.

During 1999, \$47,468 was generated by selling 2.3 acres in Chattanooga, Tennessee and \$25,000 was generated for conveyance of land to Erlanger, Kentucky.

During 2000, \$7,470 was generated by selling .86 acres in Chattanooga, Tennessee and \$1,001 was generated related to a condemnation award for a wire line crossing in Scott County, Tennessee.

During 2001, 2002, and 2003, the only activity in this account was for interest earnings.

During 2004, \$4,400 was generated by selling 1.309 acres in Whitley City, Kentucky to the Kentucky Department of Transportation under threat of condemnation, \$36,984 was generated by selling 3.05 acres in Tennessee to Hamilton County, Tennessee related to a condemnation award for easements, \$6,825 was generated by selling .512 acres in Chattanooga, Tennessee to the Tennessee Department of Transportation related to a condemnation award for Third Street, and \$3,294 was generated by selling multiple parcels of land in Spring City, Tennessee to the Tennessee Department of Transportation related to a condemnation award.

During 2005, \$9,646 was generated by selling various easements in Pulaski County, Kentucky to East Kentucky Power Cooperative under threat of condemnation, \$7,000 was generated by selling land below the Elm Street Bridge located in Kenton County, Kentucky to the State of Kentucky under threat of condemnation, and \$168,000 was generated by selling 1.68 acres in Fayette County, Kentucky to the University of Kentucky under threat of condemnation.

During 2006, the only activity in this account was for interest earnings.

During 2007, \$3,000 was generated by the sale of a permanent easement for an overhead bridge in Crescent Springs, Kenton County, Kentucky.

During 2008, \$5,000 was generated by the sale of a permanent easement for transmission lines on land located in the Fourth Civil District of Scott County, Tennessee.

5. PROPERTY REPLACEMENT ACCOUNT (continued):

During 2009, \$127,220 was generated by the sale of permanent easements for sidewalks and utilities, \$4,443 was generated by the sale of permanent aerial easement for a bridge, \$8,525 was generated by the sale of permanent easements for roadway, \$7,775 was generated by sale of permanent easements, \$8,228 was generated by the sale of permanent easements, and \$351,000 was generated by the sale of 1.17 acres to Kentucky Transportation Cabinet.

During 2010, \$2,700 was generated by the sale of permanent easements. In March, \$7,775 was determined to have been deposited in 2009 into the 3(f) account in error. A transfer of \$7,775 was made from the 3(f) to Norfolk Southern Corporation to correct the error.

During 2011, the only activity in this account was for interest earnings. During 2012, \$560,900 was generated by the sale of a deed of conveyance and grant of temporary easement in Fayette County, Kentucky to the Kentucky Transportation Cabinet.

During 2013, \$2,418,000 was generated by the sale of a deed of conveyance in Fayette County, Kentucky to the Kentucky Transportation Cabinet. In April, the purchase of 9 parcels of property in Pulaski County, Kentucky was completed for a total purchase price of \$1,021,250. In May, \$6,100 was deposited into the account related to sale of property in Grant County, Kentucky.

During 2014, \$7,500 was generated by granting an aerial easement to the Tennessee Valley Authority, \$42,500 was generated by the granting of an easement in Greendale, Kentucky to the Kentucky Transportation Cabinet. In December, the Norfolk Southern Corporation withdrew \$2,960,000 in relation to the double-mail project at Grove/Somerset.

During 2015, \$1,175 was from the Tennessee Department of Transportation in relation to a 1996 condemnation.

During 2016, \$15,000 was from the Tennessee Valley Authority in relation to the granting of an easement in 2015 with the funds being deposited into the Property Replacement Account in 2016.

During 2017, \$9,500 was from the Tennessee Valley Authority in relation to the granting of an easement in 2016 with the funds being deposited into the Property Replacement Account in 2017.

During 2018, \$7,500 was from the Tennessee Valley Authority in relation to the granting of an easement in 2017 with the funds being deposited into the Property Replacement Account in 2018.

During 2019, the only activity in this account was for interest earnings.

During 2020, \$18,415 was from the Tennessee Department of Transportation to relation to the sale of a permanent easement, temporary construction easement and for improvements in Rhea County.

During 2021, \$10,000 was from the Tennessee Valley Authority in relation to the granting of an easement and \$2,220 was from Stadium Apartments LLC, in relation to the sale of 4,107 square feet of land.

During 2022, \$5,000 was from the Commonwealth of Kentucky in relation to the granting of a permanent easement on Hinton Road in Scott and Harrison Counties, Kentucky.

Total	\$ 74,235

6. CINCINNATI, NEW ORLEANS AND TEXAS PACIFIC RAILWAY COMPANY:

As described in Note 1, the Board leases property to the Cincinnati, New Orleans and Texas Pacific Railway Company, who remits payment under this lease directly to the City of Cincinnati in quarterly installments. In 1987, a Supplementary Agreement was negotiated in which the basic rent was established at \$11,000,000 per year, coupled with an escalator clause with a formula based upon the Implicit Price Deflator for Gross National Product (IPD-GNP). The use of this formula is reflected in rental payments as shown below:

	<u>\$ 633,593,830</u>	

- (A) Reflects the agreed upon sum for settlement of past claims under the Supplementary Agreement.
 (B) Reflects rent for 1987 plus interest on late payment of rents.
 (C) The 1988 rent received includes \$2,831,950 pre-payment of rental income due in 1989.

7. RESOLUTION ADOPTED TO SELL CINCINNATI SOUTHERN RAILWAY

On November 21, 2022, the Board of Trustees adopted a Resolution 1-2022 to execute an Asset Purchase and Sale Agreement and related Parent Guaranty for a future sale of the Cincinnati Southern Railway to Norfolk Southern Railway Company. Upon satisfaction of all conditions including without limitation (i) an amendment to state law acceptable to the Board, and (ii) the approval of the electorate of the City of Cincinnati, the Board will sell to the Buyer all real property and assets related to the Cincinnati Southern Railway for \$1,600,000,000 and \$24,500,000 in transactions fees.

8. SUBSEQUENT EVENT

In June 2023, the Board plans to remit \$6,000,000 from the Tax Credit Fund to the City of Cincinnati
