(ii) except for any income tax liability Seller may incur from Seller selling the Acquired Assets to Buyer, all obligations, commitments and liabilities of the Public Parties, of whatever nature, whether known or unknown, asserted or unasserted, fixed, absolute or contingent, matured or unmatured, accrued or unaccrued, liquidated or unliquidated or due or to

become due, which relate to the condition of the Real Property and the other Acquired Assets arising before or after the Closing Date, or which relate exclusively to the ownership, condition or operation of the Acquired Assets arising before or after the Closing Date, including those arising under statutes, rules, regulations and effective or pending orders of Governmental Authorities;

(iii) all Environmental Liabilities of the Public Parties arising before or after the Closing Date which arise out of or are related in any way to the condition, ownership or use of the Real Property or the Line Agreements or any other Acquired Assets, including without limitation (A) any environmental contamination or other condition, or the presence of Hazardous Substances, on the Real Property or other Acquired Assets, whether such contamination or Hazardous Substances are located on or under the Real Property or other Acquired Assets or have migrated or will migrate from or to the Real Property or other Acquired Assets, and (B) the handling, use, treatment, removal, storage, decontamination, cleanup, transport (except for transportation as a common carrier) or disposal of, or exposure to, Hazardous Substances, whether such conditions and/or Environmental Liabilities are known or unknown, suspected or unsuspected, contemplated or un contemplated, and whether or not such conditions were caused by Seller or predecessors or Affiliates of Seller.

elect to procure title insurance commitments for any portion of, or all, of the Acquired Assets prior to Closing as Buyer or CNOTP deems necessary, at Buyer's sole cost and expense. (b) Until such consent or approval is obtained with respect to any Required Consent Contract, to the extent permitted by applicable law and the terms of any Required Consent Contract not assigned pursuant to Section 2.01, from and after the Closing, (i) Buyer will obtain the claims, rights and benefits of Seller arising under such Required Consent Contract, (ii) Buyer will perform, fulfill and discharge all of Seller’s obligations and liabilities thereunder in a timely manner and in accordance with all applicable laws and the terms of such Required Consent Contract for the benefit of Seller and the other party or parties thereto, (iii) Buyer will indemnify, defend, and hold harmless Seller and its Affiliates from any losses asserted against, incurred or suffered by any of them that relate to, result from or arise out of the failure of Buyer to comply

This Agreement constitutes, and each other agreement and instrument called for hereunder will constitute, upon execution and delivery by each other party hereto and thereto the legal, valid and binding obligation of CNOTP, enforceable against CNOTP in accordance with their respective terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally and subject, as to enforceability, to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity).

8.02. No Conflicts; Consents of Third Parties. The execution, delivery and performance of this Agreement by CNOTP will not (a) conflict with the articles of incorporation or bylaws of CNOTP; (b) conflict with, result in a breach of, constitute (with or without due notice or lapse of time or both) a default under, result in the acceleration of obligations under, create in any Person the right to terminate, modify or cancel, or require any notice, consent or waiver under, any lease, agreement, commitment, financing arrangement (including financial covenants) or other instrument to which CNOTP is a party; (c) violate any order, judgment, or decree, to which CNOTP is bound; or (d) constitute a violation by CNOTP of any law or regulation applicable to it, except in the case of clauses (b), (c) or (d) where the failure would not result in a Material Adverse Effect. Except for the STB Order, no authorization, consent, waiver of right of first refusal, or approval of, or designation, declaration or filing with, any Governmental Authority is required on the part of CNOTP in connection with the execution, delivery, and performance of this Agreement.

8.03. Litigation. There is no Proceeding pending, or to the actual knowledge of CNOTP, threatened against or involving CNOTP at law or in equity before or by any court, arbitrator or other Governmental Authority (a) which would restrict or limit the ability of CNOTP to fully perform its obligations under this Agreement or any other agreement and instrument called for hereunder to which CNOTP is a party or (b) which seeks to prevent the consummation of the transactions contemplated hereby or thereby.

IX. COVENANTS

9.01. Conduct of Business. Without the prior written approval of Buyer, from the date of this Agreement until the Closing, Seller shall not, and shall not permit any of its Affiliates to:

(a) sell, assign, lease, mortgage, pledge, grant any right or interest in, or otherwise transfer or dispose of, all or any part of its real or personal property rights which comprise, or operating rights that relate to, any part of the Acquired Assets;

(b) terminate or amend any Line Agreements, *provided* that Seller may renew or extend (on substantially similar terms as, or terms more favorable to Seller than, the existing Line Agreement) any Line Agreement that otherwise would terminate by its terms;

(c) seek to abandon any part of the rail lines included in the Line;

(d) grant to any third party trackage rights, haulage rights or any rights to use or occupy any portion of the Line or the Real Property; or

(e) authorize any of, or commit or agree to take, whether in writing or otherwise, or do any of, the foregoing actions.

9.02. Further Action. After the Closing, at the request of a Party, the other Party shall cooperate and use commercially reasonable efforts to carry out the intent of this Agreement, and each Party will execute and deliver such other documents and instruments of conveyance, assignment, transfer, assumption and delivery and take such other actions as the other Party

reasonably may request in order to consummate, complete and carry out the transactions contemplated hereby. Except where the responsibility for the expense is expressly allocated by this Agreement, the expense of complying with any such request shall be borne by the requesting Party.

X. CONDITIONS PRECEDENT TO BUYER'S OBLIGATION TO CLOSE

The obligations of Buyer to purchase the Line and the Acquired Assets and to proceed with the Closing are subject, at the option of Buyer, to the satisfaction or waiver at or prior to the Closing of each of the following conditions:

10.01. STB Order. The STB Order shall have been obtained and become final and effective and otherwise be in full force and effect.

10.02. State Law Change. The State Law Change shall have become effective.

10.03. Cincinnati Voter Approval. The Formal Announcement shall have occurred and Cincinnati Voter Approval shall have been obtained and become effective.

10.04. Representations and Warranties. The representations and warranties of Seller made herein or in any agreement, instrument or document executed pursuant to this Agreement shall have been true and correct as of the date of this Agreement or as of the date of such other agreement, instrument or document, as the case may be (except for such representations and warranties that speak as of an earlier date, which representations and warranties shall have been true and correct as of such earlier date), and shall be true and correct in all respects (where such representations or warranties contain materiality qualifiers) or in all material respects (where such representations or warranties do not contain materiality qualifiers), as the case may be, on the Closing Date as though such representations and warranties were made on and as of the Closing Date (except for such representations and warranties that speak as of an earlier date, which representations and warranties shall be true and correct in all respects or in all material respects,

as the case may be, as of such earlier date); and Seller shall have performed and complied in all material respects with all covenants and agreements required by this Agreement to be performed or complied with by Seller on or prior to the Closing.

10.05. Documents at Closing. Seller shall have delivered to Buyer or the Settlement Agent all agreements, instruments and documents required to be delivered by Seller to Buyer pursuant to Section 3.02.

10.06. No Governmental Action or Legal Proceedings. As of the Closing Date, no statute, rule, regulation, order, decree, directive, writ or judgment shall have been enacted, adopted, issued, promulgated or rendered by any government or by any Governmental Authority (and not subsequently dismissed, settled, withdrawn or terminated) which would (a) prevent the consummation at Closing of or restrain or invalidate the transactions contemplated by this Agreement, and by each of the other material agreements and instruments called for hereunder, (b) materially interfere with or prohibit the continued effectiveness of such agreements and instruments or (c) prevent, limit, restrict or impair in any material respect the ownership, use or operation of the Acquired Assets by Buyer in a manner which would have a Material Adverse Effect, which Material Adverse Effect arose after the date of this Agreement.

#### XI. CONDITIONS PRECEDENT TO SELLER'S OBLIGATION TO CLOSE

The obligations of Seller to sell, transfer, convey and deliver the Acquired Assets and to proceed with the Closing are subject, at the option of Seller, to the satisfaction or waiver at or prior to the Closing of each of the following conditions:

11.01. STB Order. The STB Order shall have been obtained and become final and effective and otherwise be in full force and effect.

11.02. State Law Change. The State Law Change shall have become effective.

11.03. Cincinnati Voter Approval. The Formal Announcement shall have occurred and Cincinnati Voter Approval shall have been obtained and become effective, provided that, if the State Law Change shall become effective, Seller shall implement the Formal Announcement in a timely manner that would allow Cincinnati Voter Approval to be a ballot item for an election determined by Seller after consultation with Buyer.

11.04. Representations and Warranties. The representations and warranties of Buyer and CNOTP made herein or in any agreement, instrument or document called for hereunder shall have been true and correct as of the date of this Agreement or as of the date of such other agreement, instrument or document, as the case may be (except for such representations and warranties that speak as of an earlier date, which representations and warranties shall have been true and correct as of such earlier date), and shall be true and correct in all respects (where such representations or warranties contain materiality qualifiers) or in all material respects (where such representations or warranties do not contain materiality qualifiers), as the case may be, on the Closing Date as though such representations and warranties were made on and as of the Closing Date (except for such representations and warranties that speak as of an earlier date, which representations and warranties shall be true and correct in all respects or in all material respects, as the case may be, as of such earlier date); and Buyer and CNOTP shall have performed and complied in all material respects with all covenants and agreements required by this Agreement to be performed or complied with by Buyer and CNOTP on or prior to the Closing.

11.05. Documents at Closing. Buyer and its Affiliates shall have delivered to Seller on or before the Closing Date all agreements, instruments and documents required to be delivered by Buyer to Seller pursuant to Section 3.03.

11.06. No Governmental Action or Legal Proceedings. As of the Closing Date, no statute, rule, regulation, order, decree, directive, writ or judgment shall have been enacted, adopted, issued, promulgated or rendered by any government or by any Governmental Authority (and not subsequently dismissed, settled, withdrawn or terminated) which would as of the Closing Date (a) prevent the consummation at Closing of or restrain or invalidate the transactions contemplated by this Agreement, and by each of the other agreements and instruments called for hereunder, or (b) materially interfere with or prohibit the continued effectiveness of such agreements and instruments.

## XII. RISK OF LOSS; TERMINATION

12.01. Risk of Loss. Subject to the limitations hereinafter stated, the risk of loss or damage by fire or other casualty or cause to the Acquired Assets or any eminent domain proceeding until the Closing shall be upon Buyer. In the event of such loss or damage prior to the Closing, Buyer shall consummate the Closing and pay the Purchase Price regardless of any casualty event or act of God or any eminent domain proceeding.

12.02. Termination By Agreement. This Agreement may be terminated at any time prior to the Closing by the mutual written consent of Seller, Buyer, and CNOTP; and at any time after December 31, 2024, by the mutual written consent of Seller and Buyer.

12.03. Termination By Buyer. This Agreement may be terminated at any time prior to the Closing by Buyer by written notice to Seller if neither Buyer nor CNOTP is then in material breach of any provision of this Agreement and there has been a material breach or failure to perform any covenant or agreement made by Seller pursuant to this Agreement that would give rise to the failure of any of the conditions specified in Articles X or XI and such breach, inaccuracy or failure cannot be cured by Seller by the Drop Dead Date.

12.04. Termination by Seller. This Agreement may be terminated at any time prior to the Closing by Seller by written notice to Buyer if Seller is not then in material breach of any provision of this Agreement and there has been a material breach, inaccuracy in or failure to perform any representation, warranty, covenant or agreement made by Buyer or CNOTP pursuant to this Agreement that would give rise to the failure of any of the conditions specified in Articles X or XI and such breach, inaccuracy or failure cannot be cured by Buyer or CNOTP, as the case may be, by the Drop Dead Date.

12.05. Other Termination Provisions. In addition to the provisions of Section 12.03 and Section 12.04, this Agreement may be terminated at any time prior to the Closing by written notice to the other Party as follows:

(a) by Buyer if the STB issues an order, decision or notice of exemption that would be the STB Order but for failure to satisfy clause (ii) of that definition, except that, if Buyer does not exercise its rights under this subsection (a) within thirty (30) days of the issue date of such order, decision or notice of exemption, such order, decision or notice of exemption shall be deemed to be the STB Order;

(b) by either Party if Cincinnati Voter Approval is not obtained on or before the Drop Dead Date;

(c) by Seller if Cincinnati Voter Approval is obtained on or before the Drop Dead Date but the other conditions to Closing (other than the conditions to be satisfied at the Closing, but subject to their satisfaction or waiver at Closing) to each Party's obligations under Articles X and XI are not satisfied by July 31, 2026;

(d) by either Party if any law that makes consummation of the transactions contemplated by this Agreement illegal or otherwise prohibited; or

(e) by either Party if any Governmental Authority shall have issued a Governmental Order restraining or enjoining the transactions contemplated by this Agreement, and such Governmental Order shall have become final and non-appealable.

12.06. Termination Fee.

(a) If this Agreement is terminated (i) by Buyer pursuant to Section 12.05(a) and at the time of termination there shall not have been a Cincinnati Voter Rejection or (ii) by Seller pursuant to Section 12.05(c) and, at the time of such termination, all of the conditions set forth in Article X and Article XI have been satisfied other than Section 10.01 and Section 11.01 and conditions that by their nature are to be satisfied at the Closing, but that are capable of being satisfied if the Closing were to occur on the date of such termination, then in each such case Buyer shall pay to Seller, by wire transfer in immediately available funds to an account specified by Seller, an amount equal to the Termination Fee. The Termination Fee due under this Section 12.06 shall be paid on the second Business Day immediately following the date of termination of this Agreement as contemplated by this Section 12.06.

(b) The parties each acknowledge that the agreements contained in this Section 12.06 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, Seller would not have entered into this Agreement, and that any amounts payable pursuant to Section 12.06 do not constitute a penalty but constitute payment of liquidated damages and that such liquidated damages are reasonable in light of the substantial but indeterminate harm anticipated to be caused by Buyer's failure to obtain the STB Order, the difficulty of proof of loss of damages, the inconvenience and non-feasibility of otherwise obtaining an adequate remedy, and the value of the transactions to be consummated thereunder. If Buyer does not pay any amount payable pursuant to this Section 12.06, and Seller commences a suit to

obtain such payment, then (i) if such suit results in a judgment against Buyer for the Termination Fee set forth in this Section 12.06 or any portion of such fee, Buyer shall pay to Seller Seller's costs and expenses (including reasonable attorneys' fees and expenses) in connection with such suit, or (ii) if such suit results in a judgment in favor of Buyer, Seller shall pay to Buyer Buyer's costs and expenses (including reasonable attorneys' fees and expenses) in connection with such suit.

12.07. Effect of Termination. In the event of the termination of this Agreement as provided in this Article XII, this Agreement shall forthwith become null and void and of no further force or effect, except for provisions that are specifically identified as intended to survive such termination (including Sections 2.03(a)(i) and 4.01, Section 12.06 (as contemplated therein) and this Section 12.07). Notwithstanding the foregoing, nothing herein shall relieve any Party hereto from liability for any fraud or any intentional and material breach of any provision hereof.

### XIII. SURVIVAL; INDEMNIFICATION

#### 13.01. Survival of Warranties and Covenants; Limitations; Exclusive Remedy.

(a) All representations and warranties made the Parties in this Agreement shall survive the execution and delivery of this Agreement and the Closing and shall remain operative and in full force and effect for a period of eighteen (18) months following the Closing Date, except the representations and warranties in Section 6.01, Section 7.01 and Section 8.01 shall survive for 10 years, provided that the foregoing time limits shall not limit any Claim based on fraud.

(b) All covenants made by the Parties in this Agreement or pursuant hereto which by their terms are specifically intended to be performed (i) at or prior to Closing are terminated at Closing except that liability for any pre-Closing breach of Sections 5.02, 5.03, 5.04, 5.08 and 5.09 shall survive the Closing and (ii) from and after the Closing shall survive the Closing

until fully performed; provided, however, that the foregoing time limits shall not limit any Claim based on fraud.

13.02. Indemnification by Buyer. Subject to the limitations, conditions and provisions of this Article XIII and the Operative Documents, Buyer and CNOTP shall jointly and severally indemnify, defend and hold harmless Seller, its Affiliates and their respective officials, directors, officers, employees and agents from, against and with respect to all Claims asserted against, imposed upon or incurred directly or indirectly by Seller, by reason of, or resulting from, or in connection with (a) any breach of any representation or warranty of Buyer or CNOTP contained in this Agreement or the Operative Documents; (b) any noncompliance by Buyer or CNOTP with any covenants, agreements or undertakings of Buyer or CNOTP contained in this Agreement; (c) the ownership, use and operation of the Acquired Assets by Buyer after Closing; (d) use of the East Peavine Line for purposes other than railroad purposes; (e) the donation of the Peavine Line to, or use of the Peavine Line by, the State of Ohio; and (f) the Assumed Obligations.

13.03. Conditions of Indemnification. The obligations and liabilities of Buyer with respect to its indemnities pursuant to this Article XIII, resulting from any claim or other assertion of liability by third parties (hereinafter called collectively, “Third Party Claims”), shall be subject to the following terms and conditions:

(a) Seller must give Buyer written notice of any such Claim within ninety (90) days after Seller receives notice thereof, but failure to give notice in such period shall only relieve Buyer of its indemnity obligations if and to the extent the delay materially prejudices the defense of such Claim.

(b) Buyer shall have the right to promptly undertake, without conditions or reservation of rights, by counsel or other representatives of its own choosing and reasonably acceptable to Seller, the defense of such Claim at Buyer's cost and risk.

(c) In the event that Buyer shall elect not to undertake such defense, or within a reasonable time after notice of any such Claim from Seller shall fail to defend, Seller (upon further written notice to Buyer) shall have the right on behalf of and for the account and risk of Buyer to undertake the defense, compromise or settlement of such Claim by counsel or other representatives of Seller's own choosing. In such event, Buyer shall pay to Seller, in addition to any other sums required to be paid hereunder, the costs and expenses incurred by Seller in connection with such defense, compromise or settlement as and when such costs and expenses are so incurred.

(d) Anything in this Section 13.03 to the contrary notwithstanding, (i) if there is a reasonable probability that a Claim may materially and adversely affect Seller, Seller shall have the right, at its own cost and expense, to participate in the defense, compromise or settlement of the Claim, (ii) Buyer shall not, without Seller's written consent (such consent not to be unreasonably withheld, conditioned or delayed), settle or compromise any Claim or consent to entry of any judgment which does not include as an unconditional term thereof the giving by the claimant or the plaintiff to Seller a release from all liability in respect of such Claim in a form reasonably satisfactory to Seller, (iii) in the event that Buyer undertakes defense of any Claim, Seller, by counsel or other representative of its own choosing and at its sole cost and expense, shall have the right to consult with Buyer and its counsel or other representatives concerning such Claim, and Buyer and Seller and their respective counsel or other representatives shall reasonably cooperate with respect to such Claim, and (iv) in the event that Buyer undertakes defense of any

Claim, Buyer shall have an obligation to keep Seller informed of the status of the defense of such Claim and furnish Seller with all documents, instruments and information that Seller shall reasonably request in connection therewith. Notwithstanding the foregoing, in the event Buyer undertakes the defense of any Claim, Seller shall have the right to employ its own counsel at Buyer's expense if Seller shall have reasonably concluded and specifically notified Buyer that there may be one or more specific defenses available to it which are different from or additional to those available to Buyer or there otherwise exists a conflict of interest between Seller and Buyer.

13.04. Other Indemnity Matters. The indemnities contained in Section 13.02 shall be continuing (except that as to representations and warranties, the indemnity shall expire on the date the relevant representation and warranty ceases to survive pursuant to Section 13.01(a)); provided, however, that with respect to any claim for indemnification for which notice has been given to Buyer within the period that the relevant representation and warranty survives, the indemnification period shall be extended until the final resolution of such claim.

#### XIV. MISCELLANEOUS

14.01. Brokers. Each Party represents and warrants to the other Party that it has not incurred any liability to any broker, finder or agent for any brokerage fees or commissions or finders' fees or commissions with respect to the transactions contemplated by this Agreement that would be a direct or indirect obligation of the other Party.

#### 14.02. Expenses.

(a) Buyer shall pay all costs associated with regulatory approvals, closing costs, including recording costs, deed taxes, sales taxes, title company costs and transfer taxes, together with fees incidental to the transfer of the Acquired Assets.

(b) Except as otherwise expressly provided herein, each Party shall pay its own expenses incident to this Agreement and the transactions contemplated hereunder, including all

legal and accounting fees and disbursements, regulatory filing fees and costs of obtaining necessary consents.

14.03. Waiver. No delay or failure on the part of any Party in exercising any right, power or privilege under this Agreement, or under any other agreements or instruments given in connection with or pursuant to this Agreement shall impair any such right, power or privilege or be construed as a waiver of default or any acquiescence therein.

14.04. Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the respective successors and permitted assigns of the Parties.

14.05. Assignment. None of the Parties shall assign this Agreement, in whole or in part, whether by operation of law or otherwise, without the prior written consent of each Party, except that Buyer may assign this Agreement (but not its obligations), without Seller's consent but with written notice to Seller, solely to a qualified intermediary, as defined by Treasury Regulation Section 1.1031(k)-1(g)(4), to facilitate a tax-deferred exchange pursuant to Section 1031 of the Code; *provided that* in any such case Buyer takes title to all of the Acquired Assets at Closing. Seller agrees to reasonably cooperate with Buyer or CNOTP in performing such a tax-deferred exchange at the cost and expense of Buyer.

14.06. Notices. All notices, demands, requests, or other communications which may be or are required to be given, served, or sent by any Party or CNOTP to any other Party or CNOTP pursuant to this Agreement shall be in writing and shall be mailed by a recognized overnight courier service, by first-class, registered or certified mail, return receipt requested, postage prepaid, or transmitted by hand delivery or electronic communication addressed as follows:

Each notice, demand, request or communication shall be deemed sufficiently given, served, sent and received for all purposes (a) at such time as it is delivered to the addressee (with the return receipt, the delivery receipt or the affidavit of messenger being deemed conclusive, but not exclusive, evidence of such delivery) or at such time as delivery is refused by the addressee upon presentation, or (b) on the day transmitted by electronic mail (with written confirmation of transmission), if sent before 5:00 p.m. Eastern Time on a Business Day, otherwise on the next Business Day following transmission.

14.07. Press Releases. Buyer and Seller shall consult with one another with regard to all press releases issued or publicity at or prior to Closing concerning the transactions contemplated by this Agreement except as necessary as a result of public disclosure requirements under applicable laws or the applicable rules and regulations of any Governmental Authority or stock exchange. None of Buyer, CNOTP, or Seller or any of their respective Affiliates shall issue prior to Closing any such press releases or publicity without the prior written consent of the other Parties.

14.08. Entire Agreement. The Operative Documents and this Agreement, including the Exhibits hereto and other instruments and documents referred to herein or delivered pursuant hereto or in connection herewith represent the entire understanding of the Parties, supersede all prior oral or written memoranda and agreements and understandings between the Parties with respect to the subjects herein, and may not be supplemented or amended, except by a written instrument executed by and delivered to each of the Parties designating specifically the terms and provisions so supplemented and amended.

14.09. Headings. Article, section and subsection headings contained in this Agreement are inserted for convenience of reference only, shall not be deemed to be a part of this Agreement for any purpose, and shall not in any way define or affect the meaning, construction or scope of any of the provisions hereof.

14.10. Conflicting Terms. In the event that any of the terms or provisions of this Agreement violate, conflict with or are inconsistent with any of the terms or provisions of any of the other agreements, documents and instruments referred to herein or delivered pursuant hereto or in connection therewith, the terms and provisions of this Agreement shall govern and control for all purposes thereunder and hereunder.

14.11. Limitation on Benefits. Nothing herein is intended to be for the benefit of any Person other than the Parties and, where expressly set forth herein, the other Public Party. It is the explicit intention of the Parties that no Person other than the Parties is or shall be entitled to bring any action to enforce any provision of this Agreement against any of the Parties, and the assumptions, indemnities, covenants, undertakings and agreements set forth in this Agreement, and all other documents or instruments called for hereunder shall be solely for the benefit of, and shall be enforceable only by, the Parties or their respective successors, legal representatives and assigns as permitted hereunder.

14.12. Severability. If any clause or provision of this Agreement, or the performance of any action related thereto, at the time such fulfillment or performance shall be due, shall be deemed by a court of competent jurisdiction to be unlawful or otherwise invalid or unenforceable, or to exceed the limit of validity prescribed by law, then the obligation to be fulfilled or performed shall be reduced to the limit of such validity; and if any clause or provision contained in this Agreement operates or would operate prospectively to invalidate any agreement, in whole or in part, then such clause or provision only shall be held ineffective, as though not herein or therein contained, and the remainder of this Agreement shall remain operative and in full force and effect.

14.13. Execution. To facilitate execution, this Agreement may be executed in as many counterparts as may be required; and it shall not be necessary that the signatures of, or on behalf of, each Party, or the signatures of all Persons required to bind any Party, appear on each counterpart; but it shall be sufficient that the signature of, or on behalf of, each Party, or the signatures of the Persons required to bind any Party, appear on one or more of the counterparts. All counterparts shall collectively constitute a single agreement. It shall not be necessary in making proof of this Agreement to produce or account for any particular number of counterparts;

but rather any number of counterparts shall be sufficient so long as those counterparts contain the respective signatures of, or on behalf of, all of the Parties. This Agreement and any signed agreement or instrument entered into in connection with this Agreement, and any amendments hereto or thereto (in each case other than each Deed or any other documents that must be in recordable form), to the extent delivered by means of a facsimile, email or electronic .pdf transmission shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person.

14.14. Governing Law; Jurisdiction.

(a) This Agreement, and all claims or causes of action (whether in contract, tort or statute) that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement), shall be governed by, and enforced in accordance with, the internal laws of the State of Ohio, including its statutes of limitations, without regard to any borrowing statute that would result in the application of the statute of limitations of any other jurisdiction. **ALL ACTIONS AND PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE HEARD AND DETERMINED IN A STATE OR FEDERAL COURT IN THE STATE OF OHIO, AND THE PARTIES HEREBY IRREVOCABLY SUBMIT TO THE JURISDICTION OF SUCH COURTS IN ANY SUCH ACTION OR PROCEEDING AND IRREVOCABLY WAIVE THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF ANY SUCH ACTION OR PROCEEDING.**

(b) Each of the Parties hereby waives to the fullest extent permitted by applicable law any right it may have to a trial by jury with respect to any litigation directly or indirectly arising out of, under or in connection with this Agreement or the transactions contemplated hereby. Each of the Parties (i) certifies that no representative, agent or attorney of any other Party has represented, expressly or otherwise, that such other Party would not, in the event of litigation, seek to enforce that foregoing waiver and (ii) acknowledges that it and the other Party have been induced to enter into this Agreement and the transactions contemplated hereby, as applicable, by, among other things, the mutual waivers and certifications in this Section 14.14.

14.15. Specific Performance. The Parties agree that irreparable damage would occur in the event that any provisions of this Agreement were not performed in accordance with their specific terms. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions to enforce specifically the performance of this Agreement in accordance with its terms. The foregoing is in addition to, and not in lieu of, any other rights a Party may have in respect of a breach of this Agreement, whether at law or in equity.

[Signatures on next pages.]

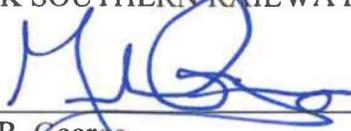

IN WITNESS WHEREOF, each of the Parties has executed this Agreement or has caused this Agreement to be duly executed on its behalf, as of the day and year first above written.

ACKNOWLEDGEMENT of TRANSFEREE

[LEAVE BLANK IF TRANSFEREE IS A SUCCESSOR RAILROAD]

The undersigned, being the Grantee identified in the deed to which this Acknowledgement is attached (the "current Deed"), (i) acknowledges and affirms the sum and substance of Section 5.05 as it may affect a portion, or all of, any Real Property conveyed to a transferee, and (ii) Grantee's release and waiver of claims against Seller Released Parties and Seller's disclaimers of liability (but only to the extent that applicable state law may permit the applicable transferee entity to accomplish such release or waiver, and without waiver or modification of any principles of sovereign immunity that may be applicable to certain transferee entities), and (iii) the obligations of Norfolk Southern Railway Company and its successors and assigns (other than Grantee) as Buyer under Section 13.02 incorporated in Exhibit "B" to indemnify, defend and hold harmless the Seller Released Parties with respect to the obligations and liabilities assumed by Buyer under said Section 5.05. Further, for the sake of clarity, any indemnification obligations in subsection (iii) shall be discharged by Norfolk Southern Railway Company, or any Successor Railroad as applicable, but shall not be binding upon, or assumed by, and this acknowledge shall not operate to transfer the same, to any other third party transferee. No provision of this Exhibit "B" is intended to operate as a waiver, release, modification of principles of sovereign immunity, or applicable state law that may be applicable to any transferee entity, and to the extent any such provision is deemed to accomplish such waiver, release, or modification by a court with appropriate jurisdiction, then that provision deemed to create such waiver, release or modification shall be deemed severable from the remainder of this Exhibit "B" with all other rights, duties, and obligations remaining fully effective as to Norfolk Southern Railway Company, or any other Successor Railroad.

Prior to further conveying the property conveyed by the current Deed or any portion thereof to a transferee, such transfer shall acknowledge and affirm of record its release and waiver of claims against Seller Released Parties and Seller's disclaimers of liability, which acknowledgement shall be in the form set forth in Exhibit B-2 of the Quitclaim Deed.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller does hereby remise and quitclaim to Buyer, its successors and assigns, all of Seller’s right, title, and interest in and to the Personal Property and all other associated rights, interests, privileges, licenses, agreements, and appurtenances otherwise associated therewith upon the Line and the Real Property as described in Exhibit A attached hereto and made a part hereof, but excluding the Excluded Assets as set forth in Exhibit B attached hereto and made a part hereof (with all interests conveyed by this instrument deemed the “Property”)

This Quitclaim Bill of Sale is being delivered pursuant to Sections 3.02(ii) and 3.03(ii) of that certain Asset Purchase and Sale Agreement, dated as of November 21, 2022 (the “Purchase Agreement”), by and among Seller, Buyer and The Cincinnati, New Orleans and Texas Pacific Railway Company, an Ohio corporation, and the applicable terms of such Purchase Agreement are hereby incorporated by this reference.

It is the Parties’ intention that Seller quitclaim to Buyer all of Seller’s right, title and interest in and to the Property, and Seller agrees to execute, acknowledge and deliver to Buyer all further instruments reasonably requested by Buyer, and undertake all further actions that may be necessary, in order to effectuate the quitclaim of the Property to Buyer all at the expense of Buyer. Except as expressly provided in this Agreement and the Purchase Agreement, the Property is sold, conveyed and transferred to the Buyer, and the Buyer accepts the Property, “as is” and “with all faults,” and without any representations or warranties of any kind as to its condition, merchantability, or fitness for any particular purpose.

Neither this Quitclaim Bill of Sale nor any term hereof may be changed, waived, discharged or terminated other than by an instrument in writing signed by the Parties. This Quitclaim Bill of Sale may be executed in as many counterparts as may be required; and it shall not be necessary that the signatures of, or on behalf of, each Party, or the signatures of all Persons required to bind any Party, appear on each counterpart; but it shall be sufficient that the signature of, or on behalf of, each Party, or the signatures of the Persons required to bind any Party, appear on one or more of the counterparts. All counterparts shall collectively constitute a single agreement. It shall not be necessary in making proof of this Agreement to produce or account for any particular number of counterparts; but rather any number of counterparts shall be sufficient so long as those counterparts contain the respective signatures of, or on behalf of, all of the Parties. This Quitclaim Bill of Sale, to the extent delivered by means of a facsimile, email or electronic .pdf transmission shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person.

#### **RECITALS**

WHEREAS, reference is made to that certain Asset Purchase and Sale Agreement dated as of November 21, 2022, by and among Buyer, Seller and The Cincinnati, New Orleans and Texas Pacific Railway Company (the “Purchase Agreement”), whereby Seller agreed to sell and assign to Buyer, and Buyer agreed to purchase from Seller, all of Seller’s right, title and interest in or to the Acquired Assets, in accordance with the terms of the Purchase Agreement; and

WHEREAS, this Agreement is being delivered pursuant to Sections 3.02(i) and 3.03(iii) of the Purchase Agreement.

NOW THEREFORE, for and in consideration of the mutual covenants contained herein and in the Purchase Agreement (the receipt and sufficiency of which are hereby acknowledged and agreed), the Parties, intending to be legally bound, hereby agree as follows:

#### **AGREEMENT**

1. Effective as of the Closing, Seller hereby irrevocably assigns, transfers, conveys and delivers to Buyer all of Seller’s right, title and interest in, to and under the Acquired Assets that are not otherwise transferred and conveyed by the Deeds or the Bill of Sale other than the Excluded Assets. Effective as of Closing, Buyer hereby accepts such assignment and assumes all of Seller’s duties and obligations under the Acquired Assets. The Parties will take, or cause to be taken, such actions, or execute and deliver, or cause to be executed and delivered such other documents, agreements or instruments, in each case as the other Parties may request, in order to further evidence the assignment to and assumption by Buyer of the Acquired Assets at the expense of the requesting Party. 2. Buyer does hereby assume and agrees to promptly pay, perform and discharge all of the Assumed Obligations to the extent set forth in the Purchase Agreement.

3. Nothing contained in this Agreement will be construed as a waiver of or limitation upon any of the rights or remedies of the Parties as set forth in, or arising in connection with, the Purchase Agreement, or any instrument or document delivered by the Parties pursuant to the Purchase Agreement. This Agreement is not intended to create any obligations of the Parties other

than those contemplated in the Purchase Agreement, and in the event of any ambiguity or conflict between the terms hereof and the Purchase Agreement, the terms of the Purchase Agreement will govern and control. Neither this Agreement nor any term hereof may be changed, waived, discharged or terminated other than by an instrument in writing signed by the Parties. This Agreement is subject to all of the representations, warranties, covenants, exclusions and indemnities set forth in the Purchase Agreement, all of which are incorporated herein by reference.

4. The provisions of this Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns.

5. The provisions of the last paragraph of Section 1.01 (Other Definitional Provisions), Section 14.08 (Entire Agreement), Section 14.11 (Limitation on Benefits), Section 14.12 (Severability) and Section 14.14 (Governing Law) of the Purchase Agreement shall apply *mutatis mutandis* to this Agreement.

6. This Agreement may be executed in as many counterparts as may be required; and it shall not be necessary that the signatures of, or on behalf of, each Party, or the signatures of all Persons required to bind any Party, appear on each counterpart; but it shall be sufficient that the signature of, or on behalf of, each Party, or the signatures of the Persons required to bind any Party, appear on one or more of the counterparts. All counterparts shall collectively constitute a single agreement. It shall not be necessary in making proof of this Agreement to produce or account for any particular number of counterparts; but rather any number of counterparts shall be sufficient so long as those counterparts contain the respective signatures of, or on behalf of, all of the Parties. This Agreement, to the extent delivered by means of a facsimile, email or electronic .pdf transmission shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person.

**FORM OF**  
**TERMINATION OF EXISTING LEASE**

This TERMINATION OF EXISTING LEASE (this “Termination”) is entered into as of \_\_\_\_\_, 202\_, among the Trustees of the Cincinnati Southern Railway (the “Trustees”), The Cincinnati, New Orleans and Texas Pacific Railway Company (“CNOTP”), Norfolk Southern Railway Company (“NSR”), and Norfolk Southern Corporation (“NSC”).

**RECITALS AND DEFINITIONS**

A. The Trustees have leased to CNOTP a line of railway known as the Cincinnati Southern Railway, starting at approximately Milepost 0.5 in Cincinnati, Hamilton County, Ohio, extending through Kentucky, and ending at approximately Milepost 337.4 in Chattanooga, Hamilton County, Tennessee (the “Line”), and certain real property held by Seller in conjunction with Seller’s oversight and management of the Line (together with the Line, the “Leased Premises”) pursuant to a Lease dated as of October 11, 1881 (the “Lease”).

B. The Lease has been extended, modified, and supplemented, including through a Supplementary Agreement (the “Supplementary Agreement”), entered into as of January 1, 1987, by the Trustees and CNOTP. The Lease, as extended, modified, and supplemented, is referred to herein as the “Existing Lease.”

C. NSR and NSC guaranteed CNOTP’s performance under the Existing Lease.

D. The current term of the Existing Lease expires on December 31, 2026. The Supplementary Agreement provides a process under which CNOTP may be permitted to extend the Existing Lease for the period from January 1, 2027 to December 31, 2051 (the “Extension Period”).

E. On December 20, 2021, a representative of the Trustees received CNOTP’s notice of intent to extend the Existing Lease for the Extension Period.

F. On November 21, 2022, the Trustees, CNOTP, and NSR entered into an Asset Purchase and Sale Agreement (the “APSA”) under which NSR agreed to purchase and the Trustees agreed to sell the Leased Premises (the “Transaction”), in accordance with the terms of the APSA.

G. Capitalized terms used below that have not been defined in these Recitals shall have the meaning assigned to them in the APSA.

THEREFORE, the parties agree as follows:

**AGREEMENTS**

1. Immediately before Closing of the Transaction, the Existing Lease shall terminate, and the parties shall have no further rights or obligations under the Existing Lease, provided that the following obligations of the Existing Lease shall survive the Closing:

- a) any obligations of the parties that, under the Existing Lease, expressly survive beyond its current term;
- b) the obligations of CNOTP, under Section 4 of the Supplementary Agreement, to pay and save harmless the Trustees from the payment of any costs, expenses, claims, liabilities, damages and demands whatsoever arising out of the CNOTP's possession, control, management and operation of the Line or any part of the Leased Premises during the term of the Existing Lease; and
- c) the obligation of the parties, under Sections 8 and 15 of the Supplementary Agreement, to arbitrate any disagreement, dispute, controversy or difference concerning the construction of the Existing Lease, the rights of the parties thereunder, or the guaranty by NSR and NSC and the obligations of NSR and NSC, under Section 15 of the Supplementary Agreement, to guaranty that CNOTP would fully perform all of its obligations under the Existing Lease and to make the Trustees whole for any loss suffered by it as a result of the failure of CNOTP to so perform.

Nothing contained in this Termination shall be construed to limit the rights of a party to enforce any obligation that, prior to the Closing, arose under the Existing Lease and had not been fulfilled.

2. In addition, upon Closing:

- a) CNOTP shall not be required to grant to the Trustees non-exclusive joint use of those rail facilities, as provided in Section 3(g) of the Supplementary Agreement;
- b) The Trustees' claims to ownership of the Leased Premises under the terms of the Existing Lease shall be fully and finally released; and
- c) The Trustees shall take any reasonable action requested by CNOTP to assist in the cancelation of the surety bond deposited by CNOTP with the Trustees pursuant to Section 7 of the Supplementary Agreement.

3. Effective as of the Closing, each of Buyer and CNOTP, on behalf of themselves and each of their Affiliates and each of their respective successors and assigns, hereby irrevocably and unconditionally releases and forever discharges Seller and its Affiliates and former, current and future equity holders, controlling persons, directors, officers, employees, agents, representatives, members, managers, general or limited partners, or assignees (or any former, current or future equity holder, controlling person, director, officer, employee, agent, representative, member, manager, general or limited partner, or assignee of any of the foregoing) from any and all actions, causes of action, suits, proceedings, executions, judgments, duties, debts, dues, accounts, bonds, contracts and covenants (whether express or implied), liabilities, claims and demands whatsoever whether in law or in equity, arising out of, or relating to, or accruing from the Existing Lease, in each case relating to any matter, occurrence, action or activity on or prior to the Closing Date; provided that nothing contained in this Termination shall release, waive, discharge, relinquish or otherwise affect the rights or obligations of any Person with respect to liabilities and obligations that (a) survive the Closing as set forth in Paragraph 1 of this Termination, or (b) are undertaken in the APSA or any other agreement or document executed or delivered pursuant to or in connection with the APSA.

4. Effective as of the Closing, Seller, on behalf of itself and each of its Affiliates and each of their respective successors and assigns, hereby irrevocably and unconditionally releases and forever discharges Buyer, CNOTP and their respective Affiliates and each of their respective former, current and future equity holders, controlling persons, directors, officers, employees, agents, representatives, members, managers, general or limited partners, or assignees (or any former, current or future equity holder, controlling person, director, officer, employee, agent, representative, member, manager, general or limited partner, or assignee of any of the foregoing) from any and all actions, causes of action, suits, proceedings, executions, judgments, duties, debts, dues, accounts, bonds, contracts and covenants (whether express or implied), liabilities, claims and demands whatsoever whether in law or in equity, arising out of, or relating to, or accruing from the Existing Lease, in each case relating to any matter, occurrence, action or activity on or prior to the Closing Date; provided that nothing contained in this Termination shall release, waive, discharge, relinquish or otherwise affect the rights or obligations of any Person with respect to liabilities and obligations that (a) survive the Closing as set forth in Paragraph 1 of this Termination, or (b) are undertaken in the APSA or any other agreement or document executed or delivered pursuant to or in connection with the APSA.

5. To facilitate execution, this Termination may be executed in as many counterparts as may be required; and it shall not be necessary that the signatures of, or on behalf of, each party, or the signatures of all persons required to bind any party, appear on each counterpart; but it shall be sufficient that the signature of, or on behalf of, each party, or the signatures of the persons required to bind any party, appear on one or more of the counterparts. All counterparts shall collectively constitute a single agreement.

6. This Termination shall be governed by, and enforced in accordance with, the internal laws of the State of Ohio, including its statutes of limitations, without regard to any borrowing statute that would result in the application of the statute of limitations of any other jurisdiction.

IN WITNESS WHEREOF, each of the parties has executed this Termination or has caused this Termination to be duly executed on its behalf, as of the day and year first above written.
